Content Learning Outcome	<ul style="list-style-type: none">- Determine the writer's attitude, style, mood, and how they contribute to overall text.- Use appropriate visuals to enhance setting and background of texts.- Identify how message conveyed in text is relevant to individuals and their societies.		

ACTIVITY:

Make It Green by Avani Desai

Lives are crying because it's not clean,
Earth is dying because it's not green...

Earth is our dear Mother, don't pollute it,
She gives us food and shelter, just salute it...

With Global Warming, it's in danger,
Let's save it by becoming a strong ranger...

With dying trees and animals, it's in sorrow,
Make green today and green tomorrow...

With melting snow, one day it will sink,
How can we save it, just think...

Trees are precious, preserve them,
Water is a treasure, reserve it...

Grow more trees, make Mother Earth green,
Reduce pollution and make her a Queen...

Questions

1. Identify two rhyming words from the poem. **(1 mark)**

2. In your own words, explain, **With Global Warming, its in danger** (line 5). **(1 mark)**
